### **FATHER'S DAY - JUNE 17, 2012 TI VOGLIAMO BENE PAPÀ!!**

We honor all Fathers, Grandfathers, Great-Grandfathers on this day. Fathers are called by many names—Daddy, Dad, Pop, Pa, Papa—on this special Sunday, we celebrate fathers and do all we can to show them how much they are loved and appreciated. Hey, the Father is the Head of the House, and as such, his wishes and decisions are paramount and deserving of great respect! Of course Mama is the “neck” and she can always turn the head. So let them relax, go play a round of golf, take a nap, it's their special day.

. . . **and now for a little history** In Italy, Father's Day is celebrated on March 19th, St. Joseph's Feast day, *Festa del Papá*. Italians prepare traditional spreads and special breads and cookies. Like the USA, families show their gratitude to their fathers with favors and gifts. Note the accent on *Papá* (this is because Italians call the Pope PAPA—no accent)

## VOLUNTEER OPPORTUNITY

### IDAHO SHAKESPEARE FESTIVAL

*"the play's the thing..." The Bard from Stratford on Avon \*\**

**When:** Saturday, July 21

**What:** THE MOUSETRAP, by Agatha Christie, Directed by Drew Barr

**Where:** Shakespeare Festival Amphitheater & Reserve at 5657 Warm Springs Avenue

**More:** Enjoy theater as you contribute to Shakespeare experience!

IAC volunteers will help set-up, pass out programs, watch the performance, help clean-up afterwards. Volunteers are entitled to a 10% discount on souvenirs from the gift shop or food from Café Shakespeare.

Questions and more specifics, please call **Harriet Americo at 283-7511.**

\*\*The Mousetrap is one of Agatha Christie's greatest mystery plays; the title was suggested by her son-in-law and refers to Shakespeare's play *Hamlet*, specifically Scene 111 which is called The Mousetrap; a-play-within-a-play. Claudius asks Hamlet about the name of the play that has just been observed by the court – *The Murder of Gonzago*. Hamlet's answer to Claudius is metaphorical, since "the play's the thing" in which he intends to "catch the conscience of the king."
